## BIB NUMBERS

Athletes are required to wear QA bib numbers while competing in all QA track and field competitions during the 2018-2019 summer season, including:

- Shield Meets (12 meets in season)
- Queensland Relay Championships
- Queensland Track & Field Championships (various)
- Other QA conducted competitions

Bib numbers are only issued to athletes when they enter their first QA competition for the season. **Bibs will be available for collection from the check-in area at the track** on QA competition days.

**Bib numbers are not posted to athletes in the mail.**

Bib numbers must be worn on the **front and back** of your top (except jumps where only one is required), attached with safety pins. Once you have been issued with your 2018-2019 QA bib numbers, please discard all previous QA bib numbers you may have as you will only be permitted to wear your new numbers during the season.

#### Replacement Bib Numbers

If an athlete forgets to bring their 2018-2019 bib numbers to a QA competition they **must purchase a temporary number for \$5.00** from the check-in area at the track. If they have been misplaced, new bib numbers can be ordered and made available for collection at the next QA competition the athlete attends.
