| Javelin Throw Judges                     | \$145                            |                  |                   |
| EDM + operator – Javelin (see Note 5)    | \$165                            |                  |                   |
| Discus Throw Judges                      | \$145                            |                  |                   |
| EDM + operator – Discus (see Note 5)     | \$165                            |                  |                   |
| Shot Put Judges                          | \$145                            |                  |                   |
| Equipment Officer                        | \$145                            |                  |                   |
| Walk Judges                              | \$30 First hr.<br>\$20 extra hr. |                  |                   |
| Other Officials (Please specify)         | \$145                            |                  |                   |
| <b>TOTAL COST</b>                        |                                  |                  | <b>\$</b>         |

**Note 1:** Where officials are required for longer than 7 hours additional charges will be made at overtime rates.

**Note 2:** Please include officials in your Lunch and refreshment arrangements. If lunch is not being provided, please advise beforehand.

**Note 3:** In the event of cancellation or postponement of a Meeting once competition has commenced a charge of \$20 per official per hour will apply.

**Note 4:** For smaller carnivals one Field Referee can perform both Jumps & Throws tasks

**Note 5:** Electronic Distance Measuring equipment & operator - This machine is used to measure the distance between two points, and is faster and more accurate than a standard tape measure.

The machine is particularly useful on the distance throwing events, saving considerable time.

The EDM Operator fills a specialist role, and should NOT be expected to perform other duties.

**Note 6:** UQ track – When hiring Officials for events at UQ Track, parking for them must also be arranged through UQ Track Management.

**Note 7:**

**SAFETY (a) Field**

It is imperative for Safety that there are two ADULTS, plus our Official, On Discus and Javelin.

**(b) Track**

If you only have one Starter, you will need to have another ADULT at the Start line.
